As with all non-profit organization our funding depends not only on the grants we receive, but the majority of our funding comes from the support of members like you and the general public. We have created a Planned Giving Program which will help fill this all important need. If you would like more information on our Planned Giving Program , including Annuities, Bequests, and Memorials, please give us a call at 570-748-7254 or check here [ ]. A representative of our Society will contact you for a private consultation and show you how you can benefit from your support and participation of this important program.

**Please send me more information on volunteering my time [ ]**

**Thank you for supporting the Clinton County Historical Society!**
